First Impressions

First impressions are often lasting impressions. When new students come to Marian, the first thing they see is the outside of the building as they come up the curved drive to enter the doors for the first time. When they enter the gym, they are undoubtedly struck by the painting of the larger-than-life knight along with the inscription "Home of the Knights." When Marian graduates, far away in

time and place, think back to their high school days, these may be the first images which come to mind. Neither the building nor the knight, however, can encompass the spirit of Marian. The spirit of Marian is in its people, those who fill the classrooms and halls, gym, cafeteria, and library, those who embody the best qualities of the medieval knight, his concern for the less fortunate, his

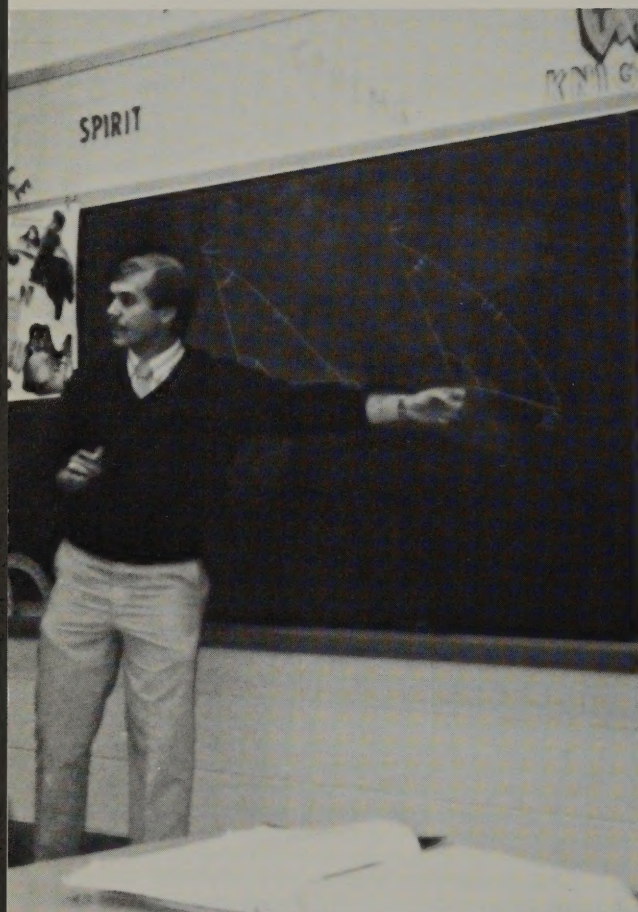

courtesy and consideration for all, his desire to give of his best, his quest for the noblest qualities in himself and all people. The following pages will capture some of the spirit of Marian as shown by the people who filled its halls in the 1988-89 school year. The building and the knight are helpful only if they remind us of them.

First Impressions

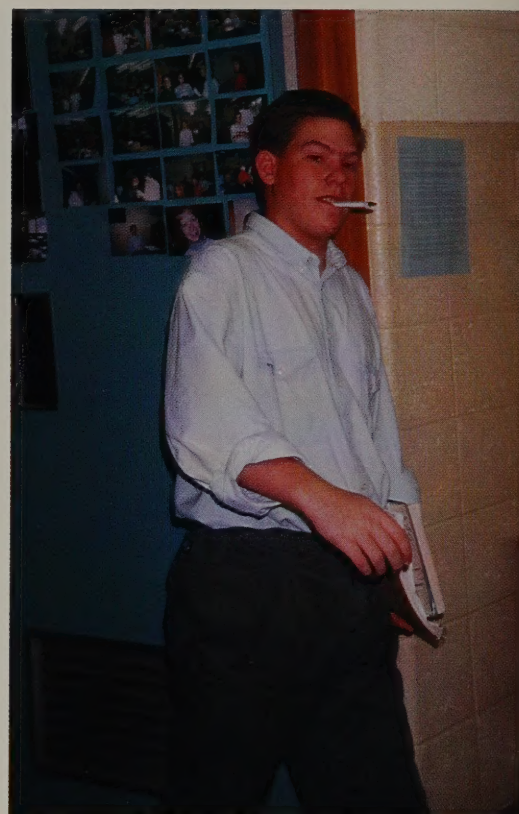

Brian Welch — "I'm hip . . ."

"Smile, or we'll have a quiz."

"My first impressions of Marian were very positive. I had high expectations of this school and they were met right from the start. All of the older students and the teachers were very friendly and helpful. As soon as I walked in the door, I could feel the spirit of community and the closeness of the students. I had heard so many good things about Marian in the past, but seeing is believing. I am proud to be part of this great school and most of all to be a Knight!"

Twin Day Switch Day

Homecoming Week was a week to show special school spirit. On Wednesday, Twins Day, students and teachers dressed in matching outfits. Thursday was Switch Day, and there were some strange-looking people wandering the halls! On Friday, students dressed, sprayed their hair, and painted their faces in their favorite colors: blue, white and silver.

Marian Comes Home

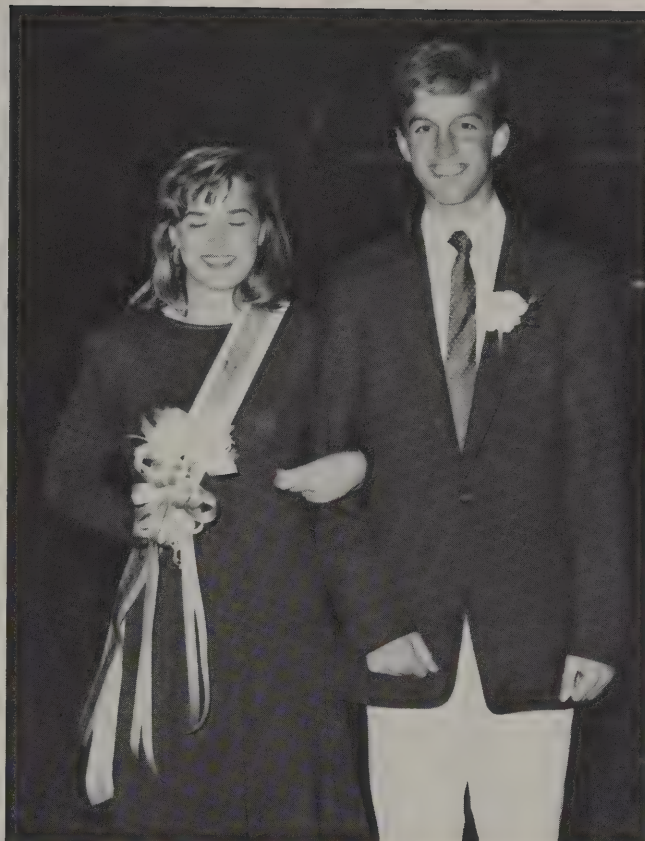

On a crisp October evening, Marian faced the Spartans of North Newton for the 1988 Homecoming game. The Knights thoroughly chilled their opponents by a score of 30-0. The fans, already warmed by the great plays, warmed up further with the arrival of the Homecoming court. The spirit expressed throughout the week reflected the pride of the whole student body.

THE CROWNING EVENT

The crowning of the King and Queen of the Homecoming Court was the highlight of a spirited week, and brought additional excitement to an already exciting game on October 7th. Chuck Hruby and Julie Cavanaugh were chosen by senior ballots to represent their class and the school. They were supported by a court of three other senior couples, two junior couples and one each sophomore and freshman.

A happy couple, Queen Julie and King Chuck, preside over homecoming activities.

Aimee Snoke and Bill Farabaugh also represent the senior class in the Homecoming Court.

SERVICE ... THE KEY TO COMMUNITY

One of the special characteristics of Marian High School students is their willingness to serve others, both within the community and outside of it. Year after year students enthusiastically support the Thanksgiving or Christmas food drive — often at personal sacrifice to themselves. In addition to donating food and money, students take the time, usually just before a holiday, to help deliver the food themselves.

Through the Peace and Justice class and other theology classes, students have become involved with a number of volunteer projects: working with underprivileged youngsters at the Hansel Neighborhood Center, helping to repair a house for an elderly lady participating in the St. Joseph County Right-to-Life march, helping to prepare a meal at St. Augustine's Soup Kitchen, assisting teachers in grade schools, and helping out at a

parish in the Appalachian Mountains during the summer.

Within the community, students help to tutor other students, assist the office staff by manning telephones and running errands, are eucharistic ministers, or just pitch in whenever someone needs a hand.

Marian students have unquestionably discovered the personal satisfaction that comes from volunteering their time and efforts for the good of others.

Right To Life

In the picture at the left, Kelly and Kerry McNamara, Tracy Kepschull, Melissa Wroblewski, and Jenny Dezenzo take part in the St. Joseph County Right to Life march held on the anniversary of the Supreme Court Roe vs. Wade decision. A busload of Marian students took part in the one square block silent march for life and held firm to their principles in spite of heckling by pro-abortion sympathisers.

Below: Amy McLane, Rita Hostetler, Fr. Elmer, Scott Peterson, Fr. Marty, Angela Martin, and Suzanne Olsen are up early to see the sights before they get down to work.

Appalachian Adventure

In the summer of 1988, a group of people from our Marian community traveled to St. Anne's Parish in Webster Springs, West Virginia. The group left May 31st and returned on June 4th. Those who took the trip were Sr. Anne Christine Kozlowski, Sr. Colette, Marc Cripe, Tom Kelly, Scott Peterson, Jeff Hammes, Rita Hostetler, Amy McLane, Angela Martin, Suzanne Olsen and Fr.

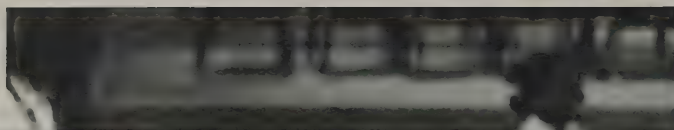

Marty Hunkler.

They stayed at St. Anne's Parish Rectory and worked there during the day re-varnishing pews, cleaning out the basement, re-staining the porch of the church, and doing some sanding and painting. The group had planned and hoped to be able to work more in the community living and working as the people in the community do with few modern conveniences.

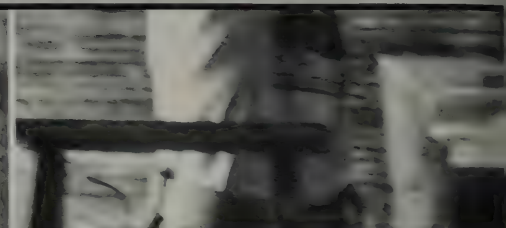

Unfortunately there was insufficient time to organize such activities. Their work at the parish was much appreciated nevertheless.

Spare time in the evening was spent taking walks, playing cards, going on tours, and getting to know each other. It was a time of personal growth as well as personal satisfaction.

Retreats: The Heart Of The Program

The retreat program at Marian is a fifteen year old tradition which involves all four years and nearly 100% participation of the student body. It is a time which creates memories, cements friendships, and encourages growth.

The freshman and sophomore retreats are one day experiences which focus on cooperation with and respect for each other, with activities which include a melodrama, the designing of a collage, and community building games.

The junior and senior retreats, held at Ancilla Domini College in Donaldson, are overnight experiences designed to give students an intense experience of Christian community. According to Father Marty Hunkler, who has been involved with the retreat program since its inception, the junior retreat deals with "how sin alienates people from the faith community and causes feelings of loneliness and confusion."

The senior retreat concentrates on past mistakes and successes, and how one can use those to discover how God is working in one's present life. It is often an emotional as well as an intellectual experience for students.

As an outgrowth of the retreat program, seniors are given the opportunity to staff several retreats for junior high school students from parochial and other schools throughout the diocese.

Nearly everyone who has experienced the retreat program at Marian has good things to say about it!

Academic Impressions

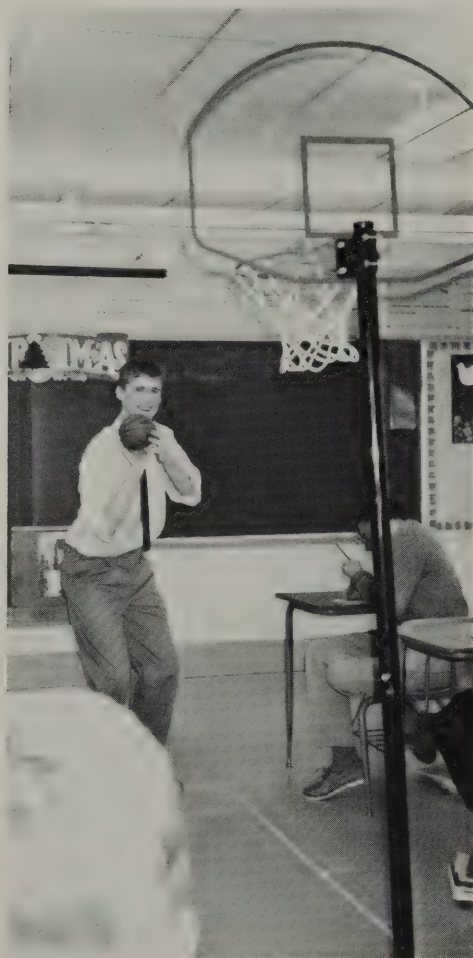

English

The English Department added a major course this year when American Literature Seminar was added to the curriculum. The senior honors course, which was weighted as an incentive, was taken by 13 students. The ultimate goal is to add an honors course in each year of English at Marian.

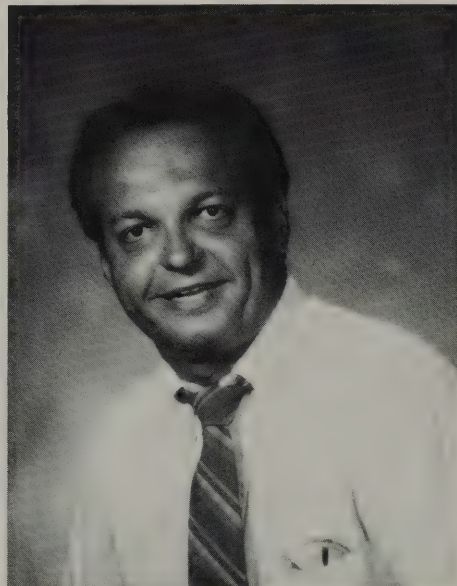

The Department's teachers usually have some creative and challenging assignments each year. This year they included researching and building a model of the Globe Theatre, video presentations in groups, acting as the subject in biographies, producing an individual book of poetry, a class collection of fiction, or a newspaper of Elizabethan England. Yes, even though English is a required course for all four years, it *can* be FUN!

This year at Marian, culture became a part of foreign language classes with films, slides, and records. They caroled through the halls at the Christmas season; Spanish students made and broke pinatas; French students made and enjoyed crepes; Latin students toured the art museum in Chicago. A survey of all undergraduates showed a desire for German classes, and so next year German will be re-instated at Marian.

It's a chance to get up and get active and have some competitive fun with friends. But it's also a chance to learn new skills and perfect some old ones and an opportunity to learn about getting along with other people. It's a required course — with good reason!

Fine Arts

A major change in the art department this year was the addition of a second teacher. Sister Laura *has been* the art department for as long as most people can remember, until the beginning of this year when she was joined by Mrs. Cheri Engle, who later resigned and was replaced by Mrs. Joan Mathias. Regrettably, at the end of the year Sister Laura announced her own retirement. The entire school will miss her.

Again this year the art department took on the job of the seasonal decorations of the doors of the main entrance. Their work certainly captures the mood of each season for us all. The display cases in several locations around the school showed the quality of work — sculpture, ceramics and various crafts, in addition to drawing and painting — of which our students are capable.

The art department is one of the most visible — and most appreciated — departments in the school.

Frank Catanzarite takes a break from his work.

Home Economics

Mrs. Janet Hatfield *is* the Home Economics Department! She offers courses in cooking, sewing, and family living, with an average of 15-20 students in each class. The skills which she teaches are needed by nearly everyone at some time in his/her life, so most students take these courses seriously and learn some practical living skills. At the same time, they also enjoy themselves.

The 1988-1989 school year was a year of transition, for the Industrial Arts Department. Guided by Mr. Dave Swank, auto mechanics class covered new ground by exploring aspects of solar, wind, and water power. Drafting touched upon areas of communications, including photography. Architecture II class designed and built models of vacation homes. The students who were involved with this department enjoyed it.

The science department had a particularly impressive year this year with seven participants in the Indiana Science Regional Fair whose projects received recognition. David Durham and Darren Krakowski were both awarded first place ribbons with projects involving the artificial heart and artificial intelligence respectively. Brian Fischesser and Jason Wroblewski both received second places and Karl Engelmann, Lisa Farabaugh, and Peter Nichols all received third place recognition.

The Earth Science classes took an informative trip to the planetarium in

Theology

The Theology-Pastoral Ministry departments of Marian are closely related to one another in fulfilling the dual goals of providing INFORMATION and FORMATION. On the level of INFORMATION, the theology classes provide a foundation of faith necessary for the more important task of integration.

The faith of the students at Marian is nurtured through many formation programs which provide an opportunity for the students to experience that faith at work on retreats, service projects, and programs which allow "hands on" ministry experiences.

Together the two departments form the backbone of the community we call Marian.

Band

It was a year of transition for the band as Mr. Terry Dawson handed over the baton to Miss Cathy Austin in September. The band has been very active this year performing for games and pep rallies as usual, but also combining with the swing choir and St. Joseph's band for an entertaining Christmas program. The combined Marian/St. Joe band, directed by Miss Austin, gave an impressive and appreciated performance for the entire school.

The highlight of the year was the band's trip to Orlando, Florida, during spring break to participate in the All-American Music Festival. The combined bands received a third place and, in addition, had a great time visiting Epcot Center, Disney World, and Wet-n-Wild.

Marian was fortunate this year to have an elective added to the curriculum. Choir is back as a class, and every morning this school year, Miss Leatherwood and a small, but enthusiastic group of students have been hard at work in the bandroom. The girls gave several successful performances during the year, including the diocesan in-service day, the Mothers' Club Christmas party, Tippecanoe Place, and a special all-school assembly that was held in their honor. The girls also sang at the senior mass, baccalaureate, and commencement. Miss Leatherwood has high hopes for the future of this group and hopes to have even more student voices involved next year.

Library

The library is at the core of any educational institution, and Marian can be proud and grateful for a library that is growing and developing its services every year. The addition of a copying machine a couple of years ago has been a great asset to students doing research, and computerized listing of all volumes makes it possible for teachers to have a readout of everything available in a certain subject area.

This year alone over 200 new titles were added to the library's shelves, according to Sister Mary Jane Sloderbeck, bringing the total number of volumes in Marian's library to approximately 13,200. In addition, six new periodical subscriptions were added.

According to Sister Mary Jane, there is a big difference between the number of books used in March — when many research papers are due, and in September. In September only 96 books and 33 magazines were used, whereas in March the numbers were 343 and 280!

Students don't need the numbers to know how useful the library is!

This year the National Honor Society, sponsored by Mrs. Foss and Sr. Jeanne, inducted nineteen new members. Four of these were seniors and the remaining fifteen were juniors. The 1988-89 officers were Andrea Pietraszewski, president; Ellen Cierzniak, vice president; Bill Farabaugh, secretary; and Karl Reineke, treasurer. Award winners for the year were: Troy Dobosiewicz, tutor of the year, and Becky Soice, volunteer of the year. The new officers will be Jim Crawford, president; Nate Tricker, vice president; Angie Kolbas, treasurer; and Mike Cox, secretary. Kris and Katie Rice will hand over the tutoring organization to Mary Soice.

The NHS has many volunteer projects each year. Besides personal service hours, the group also visits the sisters on the hill twice a year, helps at the Carnival of the Arts, does cholesterol testing at the mall, and assists with parking for football games, NHS members tutor students who need help and are ready and willing to assist whenever and wherever needed.

Spanish Club

This year the Spanish Club held their meetings at homes of the Spanish club members. The Spanish club had a great year that was enjoyed by all of the members. Some highlights from this year include the Garcia's party complete with dance and lots of food, a taco party at the Dobosiewicz home, Spanish movies at St. Stephen's Parish followed by brunch, and the end-of-the-year party at Señor Kellys complete with a tour of the Snite Museum at Notre Dame.

Talents and Interests

In addition to memberships in clubs and organizations and participation in extracurricular events, students show a wide range of interests, and creativity in expressing those interests, whenever they are given the opportunity. When called upon to make a class presentation or to demonstrate research capabilities, students come up with remarkable variety of topics and creative ways of demonstrating them. A few of this year's demonstrations appear on this page.

SCIENCE CLUB

The Science Club!

Laura Williams and Heather Blank take a ride on the elephant during the Science Club's visit to the Indianapolis Zoo.

This year's Science Club had an interesting year. In order to raise money to help fund their end-of-the-year field trip, they kept an eye on the basketball fans' coats during basketball games. In the past the club has gone to Brookfield Zoo. However, this year the Science club chose to visit the new zoo in Indianapolis. The zoo

turned out to be smaller than expected, but the Science Club enjoyed a break from the pressures of school in order to relax in Indianapolis on the warm spring day.

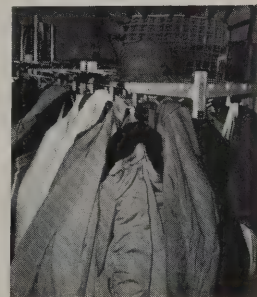

The Science Club would like to take this opportunity to thank the basketball fans and Mr. A. for a great year!!

The yearbook is a special part of any high school. At Marian this concept is very true. Through the many hours of work by the yearbook staff and the moderator, Mrs. Kistner, memories of the 1988-1989 school year will be preserved forever. It was not always easy, but it was worth it.

The yearbook gives the history of the entire year, but another publication of Marian that gives monthly reports is the Lance.

The Lance moderator was Mr. Pawlak. The staff's work and persistence has shown

the good, the bad, and the interesting things about Marian High School. Everyone enjoyed the interesting articles and well written editorials published each month. The Lance is an integral part of Marian High School.

Journalism, in the form of periodical or synopsis, is very important. Marian has both and uses their services to the utmost. Thank you, Mrs. Kistner and Mr. Pawlak, for your understanding of the praises and the gripes of the Marian students.

Quiz Bowl

Marian's Quiz Bowl Team finished the 1988-89 season with a 4-5 record. The team defeated Riley, New Prairie, Washington, and Mishawaka. The team suffered losses to LaSalle, St. Joe, Adams, Penn, and Clay. An opening round loss to Adams in the tournament was very disappointing.

The team was spearheaded by seniors Dan Archambeault, Katie Rice, and Jim Kowalski. Juniors who contributed much included Mike Schmiedeler, Mike Cox, Nate Tricker, Brian Crothers, Tim Fujawa, and Paul Kuzmic. The "B" team, which included sophomores Brian Riley, Geoff Ward, John Palmer, and Rich Fortunak, and freshmen Jim Schmiedeler, Neal Eggeson, and Charlotte Renshaw, won three of four matches!

Student Council

According to Student Council moderator, Mr. Gerry McDonald, the organization of Student Council was greatly improved this year. Having a representative from each homeroom, as well as officers of all four classes as part of the Student Council, greatly facilitated the passage of information, both to and from the council. Scheduling meetings during the school day also helped by improving attendance.

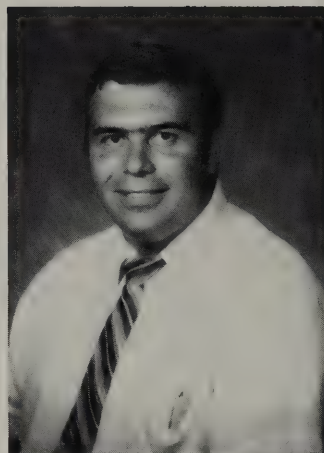

The council had an excellent year. The Christmas Food Drive, organized by Student Council, helped 24 families with food baskets and Martin's Gift Certificates totalling \$1500.00. In addition, the Homecoming celebrations and Spirit Week were enthusiastically supported by the students, and the Council spearheaded the current dress code survey still under way. The Student Council *can* make a difference — and it has!

The process to select new members to Marian's chapter of the National Honor Society has begun. It will culminate with induction ceremonies Sunday, Oct. 23, 1988. The seniors elected to membership last year have charge of the program.

The National Honor Society is a national organization for students who possess character and who have demonstrated leadership and

is an honor bestowed upon a select group of students who fulfill the criteria decided upon by the faculty selection committee. This committee consists of five members, appointed annually by the principal, and the faculty advisers to NHS. Any student recommended by the faculty

service within the community. The Marian Chapter of NHS strives to develop its members further through academic and community service by means of individual and group projects.

They are notified of their eligibility in the fall semester by the faculty advisers. If they wish to be considered for selection, they must complete an activity information

form, and they must procure the signature of an adult in the school or the community recommending them for selection. Faculty, administration and staff are surveyed to evaluate and comment on all eligible candidates. This survey, the activity form and verifiable information presented by the student

Special Impressions

Spirit Week

Everyone — even the teachers — got into the act for Spirit Week, January 30th through February 3rd, 1989. Every day of that week was devoted to a specific theme which included Sports Fanatic Day, Pajama Day, Color Clash Day, Class Theme Day and Farmer Day. The senior class won the hall decorating competition with their theme of Knights at Sea. The other class themes were Carnival Knights for the juniors, who came in second, 40 Days and 91 Knights for the sophomores, and Knights of the Living Knights for the freshmen. It was a tough choice for the faculty members who had to vote on the best decorations.

Each class had great participation in the area of individual costumes and a lot of time was put into this event. Friday of Spirit Week was especially memorable as the students really let loose at the Pep Rally. That evening Andrea Pietraszewski and Jim Ernst were crowned Spirit Queen and King, and the football team topped off the week with a decisive victory over John Glenn.

Freshmen David Herron, Artie Wolf, Ernie Keresztes, Andrea Grummel, and Trish White get ready for snoozin' on Pajama Day.

"The bearded lady," Mrs. Foss, was a popular feature in junior hall.

Winter And Spring Fun Days

A tradition begun in the 1987-88 school year was continued this year at Marian. The two half day "sports" and fun events known as the Winter Carnival and Spring Field Day, held on February 17th and April 28th, provided a time for relaxation and togetherness for the entire school community. The "Happenings," under the auspices of the Student Council, and carefully planned by committees of students working with Mr. Richhart, included activities which ranged from ping pong and euchre, to tug-of-war and water races.

Unfortunately there was little snow for the Winter Carnival and chilly weather for the Spring Field Day, so a few events had to be canceled, but spirits were high and student and teacher participants rated both days hugely successful!

One Of A Kind

Events That Can't Be Categorized

Not one free day but two! Marian students found Bishop D'Arcy's annual visit especially memorable this year as he awarded two days off school, the second one ostensibly for remembering the message of his homily. (It *could* have had something to do with the fact that there were no snow days this year, but no one quibbled about reasons!) The

Bishop celebrated Mass at 9:30 for the entire student body and afterwards was presented with symbolic gifts, an executive dart board to fill all his free time, a magnetic Marian sticker for his car (which could be removed for games at St. Joe,) and a Cross pen for signing large checks written to Marian High School!

Fr. Marty, Bishop D'Arcy holding his gifts from the student body, and President of the Student Council, Joe Cataldo.

The day "Johnny Carson" visited Marian was a day that all will remember! "Johnny" (Jim Martinkowski) introduced by "Ed McMahon" (Troy Dobosiewicz) told jokes in his inimitable style, interviewed celebrities, (faculty and coaches) and went through his Carnac routine. It was an entertaining assembly which included the honoring of all spring sports participants.

Left: Ed McMahon (Troy Dobosiewicz) and Carnac (Jim Martinkowski) leave the stage. Right: Ed and Johnny get ready for interviews.

One of the most moving liturgical celebrations this year occurred just before Christmas break when the student body gathered in the darkened gymnasium for a candlelit ceremony which included Old and New Testament readings and a period of meditation inspired by music and slides. A tableau of the Holy Family brought the ceremony to a close, after which the students and faculty loaded up the food which had been collected for needy families, and helped to distribute it.

Mari Mauro and Marc Roberts come up for a closer look at the real baby (Kris' nephew) who played the baby Jesus in the Christmas tableau. Kris Rice played Mary and Chuck Hruby played Joseph.

FATHER OF THE BRIDE, another smash hit of the Marian Drama Department, showed the life of a family as their daughter begins her preparations for marriage. The family strays from a quiet household to a mass of lunatics. The antics of the family got crazier as every scene rolled along. Mr. VanGoey and Miss Leatherwood were in charge of this production and should be complimented on their direction. Each cast member did an excellent job too. It took many hours of rehearsal to make the final "copy" of FATHER OF THE BRIDE. The time and effort of everyone really showed in the final production.

Marian Drama Shows How To . . .

This spring the Marian Drama Department presented *How to Succeed in Business Without Really Trying*, a musical based on a book by Shepherd Mead with music and lyrics by Frank Loesser. The play, which usually requires twelve weeks of rehearsal, was successfully

performed after only eight weeks. The Drama Department, led by Robert VanGoey and Cherie Leatherwood, put in many long and difficult hours during those eight weeks, but the results were worth it. The play was a hit! The cast and crew deserve congratulations.

Spring Break

Spring Break is a week of vacations and relaxation. It began Friday, March 23 and ended Monday, April 2 at 8:10 am. Marian students always celebrate Spring Break with CLASS!

On March 22 a person could hear the destinations of all their friends. Places mentioned varied from South Bend — Mishawaka — Elkhart, to Frankfurt, West Germany. Two groups turned in pictures of their adventures. One group went to Hawaii and the other toured Europe. But, no matter where Marian students went they came back relaxed and ready to tell of their trek. Each person, at least, had time away from school. No matter where one went the relief of no math homework was the real Joy of Spring Break.

Prom '89

This year's PROM was truly a night to remember. After the juniors had their annual magazine sale, Mrs. McKenna and the junior class got to work on the plans for PROM. On April 21, 1989 the junior class presented the 1989 PROM: "Hold On To The Night." Seventy-nine couples attended this wonderful event at the Marriott Hotel.

The evening began with the young couples arriving to find Mr. and Mrs. McKenna taking tickets. Then, as Mr. Andrzejewski announced the couples, they proceeded in to an evening full of excitement. Dinner began with a salad and continued into the main

course, which consisted of new potatoes, green beans, and a choice of either a New York Strip Steak or a Chicken Breast. The dinner was concluded with a chocolate mousse dessert.

After dinner was completed the couples got their pictures taken; then the music began. The live music was provided by a local band named "This End Up."

Many thanks go to Mrs. McKenna and the prom committee, which included Angela Martin, Cheryl Andert, Jenni Phillips, Brendan Kluszynski, Eric Krakowski, Mike Schmiedeler, and Mike Klawitter.

Athletic Impressions

Football: A Definite Class Act

The Knights' football team this year was ranked #1 in the most important statistic — one that is usually forgotten in ratings and press: class! With first year head coach,

Mr. Delane Richhart, guiding the way, player and coach were closer together. It was a remarkable year of growth.

As the numbers got even smaller, the hearts got bigger. No matter what the score or time left, this group hit till the very end. The unity was tremendous, and on the field attitudes were intense.

Though all players did their best, Chuck Hruby seems to stand out. Earning four awards, including MVP and Mental Attitude, Chuck was a teacher on offense, rushing 378 yards in 88 attempts, returning punts, kick offs, being a running back, receiver, and even quarter back (filling in for injured starter Tim Killilea).

The Defense was anchored by Mike Welch, winner of the Headhunter and Most Valuable Defensive Lineman awards, with 104 tackles and 11 sacks for losses.

Things only look brighter for the future of the Knights. In the words of the immortal Delane Richhart, "Good job, Knights!"

Varsity Basketball

The Boy's Varsity Basketball season started with high goals and expectations. Led by seniors John Horvath, Brian McGillicuddy, Jeff Bultink, and John Rittenhouse, the Knights were in many close ball games. A jump shot here, good pass there, good "D" here prevented the Knights from having a winning season. The seniors provided positive leadership for the younger players.

Brian McGillicuddy led the Knights in scoring, Jody Goralski led the team in rebounds, Andy Hobik and John Horvath and Jeff Bultink led the team in assists.

J.V. Basketball

The 1988-1989 Boy's Junior Varsity basketball team really "sparkled" this year. The talents of the players, along with the spirit of the students, brought life to the gym at Marian.

The players were Dave Lorence, Eric Ganser, Andy White, Chris Jenkins, Chris Zaviska, Eric Makielski, Alex Knopick, Steve Christianson, John Huemmer, and Bill Cochrane.

Cross Country

This year's boys' and girls' Cross Country teams had a winning season. The guys finished 10-8 and the girls finished 11-6. Both teams were winners on the field of competition and in the concept of what a team is. The boys were led by junior Doug DeWinter, sophomore John Palmer, seniors, Sean Urbanski, Chris Bachtel, Dave Thomas, and Jason Welsch. The girls were led by seniors Cheryl Fortunak, Lisa Buysse, and Kristie Givler. Hard work and willingness to care for one another was a characteristic of this team. Whenever someone was hurt or down, members of both teams would be there to help. Both teams have positive memories of the season to go with them the rest of their lives.

The team will have experience next season, and, with the help of a few players moving up to varsity, should pose a strong threat to all rivals!

Girls'

Tennis

The girls' tennis team ended their season with a 7-8 record, which doesn't fully indicate how hard they worked or how much they improved during the season. Even though they were beaten in the first round of sectional play, they performed extremely well, and came close to beating a very tough opponent. In other tournament play, Marian's team beat Culver Military 3-0 in the Culver Tournament, and Angola 5-0 in the Plymouth Tournament. In the Concord Invitational, Cynthia Linski got to the finals before being beaten. Coach Rob Hueni was pleased with the girls' progress and is looking forward to having a great team next year as most players will be back.

With an 18-5 record, Cynthia Linski was voted Most Valuable Player for the year, and Mari Mauro was given the Mental Attitude Award. Voted Most Improved was the #1 doubles team of Jill Turnock and Corinne Coppens. Good job, girls!

Girls' soccer posted a winning season this year — an especially satisfying accomplishment with a mostly young and inexperienced team. They ended the regular season with a 6-1-4 record.

A highlight of the season was the first sectional play-off game against Elkhart Central which the girls won 2-0. This avenged the loss to Central in the regular season.

Voted Most Valuable Player for the season was Jill Turnock, with the Most Improved Award going to Marybeth Fewell. The Mental Attitude Award was won by Julie Schmitter. These girls, and most of this year's team, will be returning next year, so 1989-90 should be a great season!

HEAD COACH: Ray Roelke

The Marian Boys' Soccer team did an excellent job this year. They won when they should have and expressed the pride of Marian through their efforts. Their great athletic ability showed the world what Marian soccer is all about.

The head coach of the boys' soccer team was Ray Roelke. He lead the team with grace and finesse and taught the team some do's and don't's of the game of soccer. The early unlit hours of practice paid off in the end.

Volleyball

Bouncing back from a challenging, yet disappointing season last year, the team put out a valiant effort and achieved a 12-13 record. Although hoping for a .500 season, they were not completely disappointed. There were three very exciting games that stood out in the season. These games were the impressive St. Joe, Penn, and Adams games. The volleyball team, under Mrs. DeBaets, had not beaten an Adams opponent in ten years! It was an emotional victory for all.

Despite an injury to a key player, Kelly McNamara, the team found strength in other players who rose to meet the challenges that found them. Jenn Burmeister, voted the Most Valuable Player, gave solid performances as well as leadership. Supporting her were Molly O'Brien, the year's Most Improved Player, Karen Zeiler, the Mental Attitude winner, Kerry McNamara, Corinne Coppens, Anne Dlugosz and other players off the bench who put forth outstanding efforts. Other seniors who didn't see much playing time, but who were responsible for the high spirits and unity were Becky Kelly, Mari Mauro, and Jamie Meixel. We thank our fans for their support and wish good luck to the 1989 squad.

Wrestling

The 1988-89 Marian Wrestling team, coached by Tom Dolly, consisted of a tough squad headed by Captain Chuck Hruby. Backed with the fine talents of Marc Roberts, Dave Thomas, Mark Widman, Jim Batcho, Jim Frank, Stuart Ramsbottom, Mike Kerestzes, Ryan Brandt, Ron Veldman, Matt Marian and Ed Balint. The Knights did a commendable job,

showing at each match the hard work put in at the long hard practices. *Remember When ...*

- Team tied Ed's shoes together and hung him from the hat rack.
- Mark and Jim found a magazine and Ed dove into the locker for it

Hockey

For the first time in six years Marian was represented in the area's high school hockey league. The players, under the tutelage of Coach Bill Hambling, had a great season.

Lead by Senior Captain Greg Wozniak, the team finished the season with a victory over the Clay Colonials in Indianapolis. Senior Scott Allison and junior goalie Marc

Daffinee also provided leadership for this years team.

Sophomores include the team's leading scorer, Jeremy Wienburg, Steve Bodine, Chris Szajko, Christian Davy, and Brian Bognar. The freshman are Brian Voorde, Brian Carlson, Brian Cavanaugh, and Ryan Sisti.

Boys' Track

The 1988-1989 Boys' Track team discovered what the word "team" meant this year. Even though each member did outstanding work, they relied on each other for extra support. As team mates circled the track, the team members warming up could be heard cheering from Dragoon Trail! The team was successful in their season because of the support of every member of the team.

The '89 track season for the girls was an interesting one with many ups and downs. Led by senior captains Lisa Buysse and Angela Casini, the girls had an emotional season. Many slight injuries plagued the team; however, they continued to compete to the best of their ability. With many new members joining the team this year, the girls' track team gave their competitors "a run for their money." At the end of the season the girls gave the school a great representation at the Sectionals at Mishawaka High School, sending two senior competitors on to regionals. At regionals Cheryl Fortunak ran the Mile Race and Lisa Buysse went the distance in the Two Mile. Congratulations to the entire girls' track team and coach Jim DeVreese on a great season.

Intramurals

Under the guidance of Mr. Ken Andrezejewski and other faculty members, Intramural Basketball was held this year. Intramurals are sports in which students pick their own teams and battle on the court for the thrill of victory. The focus is on team unity and honesty. Intramurals were an enjoyable part of the 1988-1989 school year.

Softball

The record of 5-11 and 1 doesn't tell the whole story for the hardworking softball team coached by George Grenert and Tina Peppers. It was a year which saw a number of new faces added to the team, including four freshmen, which really sparked everyone's enthusiasm. The highlight of the year was beating Northridge, ranked eleventh in the state!

Voted Most Valuable Player at the end of the season was senior Kerry McNamara, while the two Most Improved were junior, Gretchen Talboom, and freshman, Karen Bloom. The Mental Attitude Award was won by senior Cassie Nicolini.

The team is looking forward to working together again next year.

Golf

The 1989 Marian golf team finished the year with a 16-9 record and fourth place finish in the Keppler tour — not a bad record for a team that expects to be back next year with even more experience! With the exception of senior Betsy Bognar, all team members expect to be playing next spring, so the competition had better be ready!

Voted Most Valuable Player was Tom Kelly, while Tim Fujawa won the Mental Attitude award, and Brian Bognar was the Most Improved.

Cheerleading

The 1988 Football Season Cheerleaders had a wonderful season. During the summer the cheerleaders attended a cheerleading camp at I.U. Bloomington, and came home with a few trophies. We came back with the key to spirit, Superior Varsity Squad, and a spirit stick and outstanding ribbons. The cheerleaders continued to their spirit throughout the season. We would like to thank all the fans for supporting and showing their spirit at the games.

Pom Pons

The award winning Marian Pom-Pon squad was an added highlight to the Friday night basketball festivities, as well as fall football games. They entertained the fans with energetic routines and creative dances. Marian is thankful for the talents and dedication of these girls. We look forward to many more interesting presentations in the future.

Getting In The Spirit

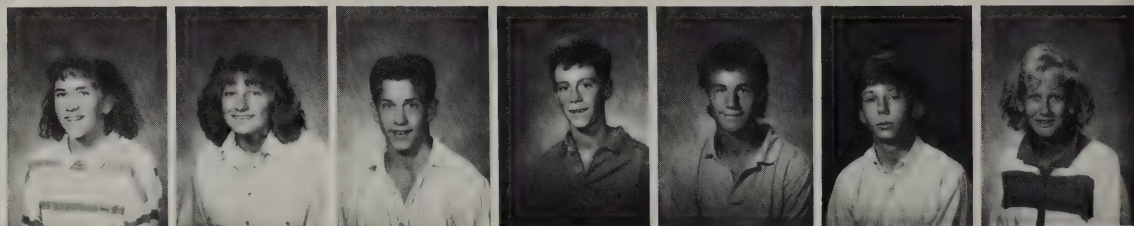

The class of '92 has great spirit, and they let it show in all they do! The majority of freshmen attended varsity football and basketball games and cheered their hearts out! This class has overwhelming enthusiasm when it comes to supporting their school. The freshmen attend each other's games when they can, and have some winning teams including girls' and boys' basketball and volleyball. All the freshmen are winners, though.

During Spirit Week the freshmen proved once again that they have what it takes! Most freshmen showed their willingness to help out by staying after school to decorate their hallway according to their theme "Knight of the Living Knights." However, the biggest accomplishment of this class is their ability to get along with and help one another. The future looks promising for the class of '92!

Sophomores

No longer the "bottom of the heap," the sophomores came into the new year with greater spirit, more maturity, and for some, drivers' licenses in their back pockets.

The retreat got them off to a good start, pulling them closer together, and enabling them to share openly. They showed their school spirit in a variety of ways by sponsoring the Homecoming dance, participating fully in Spirit Week, and winning the obstacle course race at the pep rally. Many sophomores were also involved in the sports program; and some proudly wore their hard-earned letter jackets and sweaters.

Academically, the sophomores made it through notes on Hebrew Bible, dissecting frogs, and Flannery O'Connor, and the last semester of Physical Education.

The class of '91 continues making friendships, striving for their academic goals, and participating with spirit in extracurricular activities as they look forward to being upperclassmen next year.

The juniors finally earned the title of "upperclassmen" and moved their hall to the downstairs. Threatened into selling magazines for the Prom, they responded by doing a fine job. With the help of Mrs. McKenna, their class sponsor, they nearly won the Spirit Week Hall Decoration Contest, by coming in a close second. Wait till next year!

Class '89

Just three years ago the class of '89 was looking for the third floor and stacking lockers. Look at them now! They are getting ready to do it all over again — in another setting. The Seniors had a great four years here at Marian! The Senior's spirit soared in their last year. The class of '89 pulled together and showed that they were truly worthy of graduation. Class of '89 is oh soooo fine.

Seniors And Celebrities

The seniors at Marian are special people. Everyone in the Marian community thanks them for their contributions to the school and looks forward to their continued contributions to the South Bend/Mishawaka communities. Some celebrities of the surrounding area join in wishing the class of '89 good luck in their future endeavors.

Troy Dobosiewicz

Troy Dobosiewicz and Deborah Domine prepare for the 6 o'clock news on Channel 16, WNDU.

Mayor of Mishawaka, Bob Beuter, signs away everything to Chris Gunter.

Fr. Malloy, president of the University of Notre Dame, says, "Mike, you're going places!" to Mike Deranek.

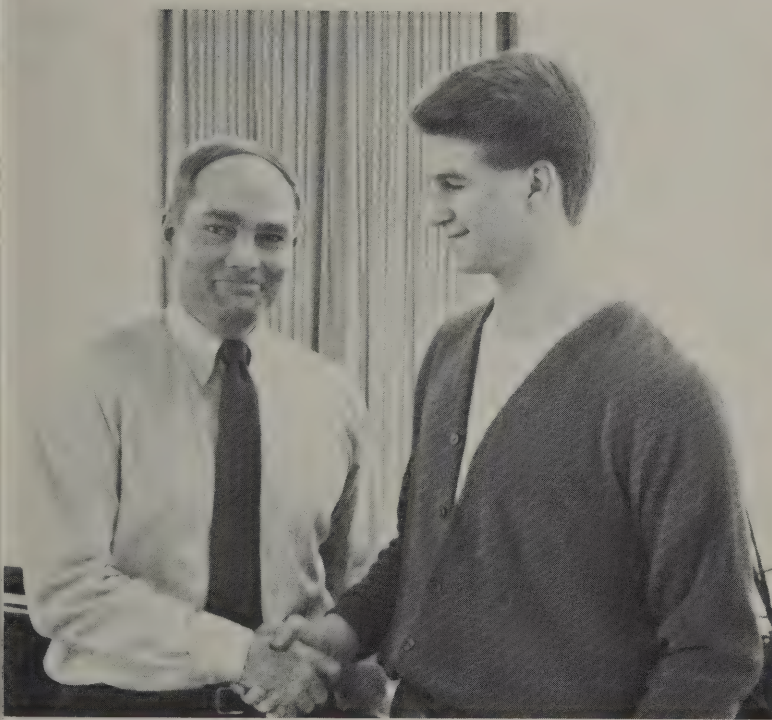

Sean O'Connor and Paul Silvestri prepare for the Eye Witness News Weather report.

St. Joe County's finest seem to follow Chris Buckler and Steve Hartman wherever they go.

Joe Kernan, mayor of South Bend, meets Brian Coyle, future mayor of South Bend.

Steve Sigety meets his mentor, Bob Lux, from WSBT Radio.

Friendly Atmosphere

Senior Farewells

After four quick years, the seniors have their own special way of saying good-bye to Marian. The senior class had their "Senior Caravan" on the last day of finals and, as always, it was an event to be remembered.

With the "Warsaw to Rome Express" leading the caravan with Pope Troy Dobosiewicz and First Cardinal Mike Deranek as driver, the caravan took on a "different" look! The evening news also took on a different look when Channel 22 showed the "Pope" visiting South Bend! With the future to look forward to and four good years to look back upon, the seniors wish luck and happiness to the entire Marian family in years to come.

Mike Deranek

L to R: Ally Renshaw, Cheryl Fortunak, Angela Veldman, and Heather Blank prepare to take the ride of their life in the Senior Caravan.

Karl Reineke, returning from a voyage to Burger King, pauses to talk about his adventure to Kevin Mizani and Julie Lawton.

Troy Dobosiewicz demonstrates his ability to surf while leading the Senior Caravan in the Warsaw to Rome Express.

Kim Whittaker, Beth Kuzmic, Loretta Johnston, Jenn Parish, and Ashley Mickels pose for a cheerful/tearful goodbye.

As Pope Troy Dobosiewicz awaits his driver, Marc Roberts inspects the features of the Popemobile, "The Warsaw to Rome Express."

His journey completed, Pope Troy kneels in thanks and prepares to kiss the sacred ground of Marian, while First Cardinal Mike Deranek looks on reverently.

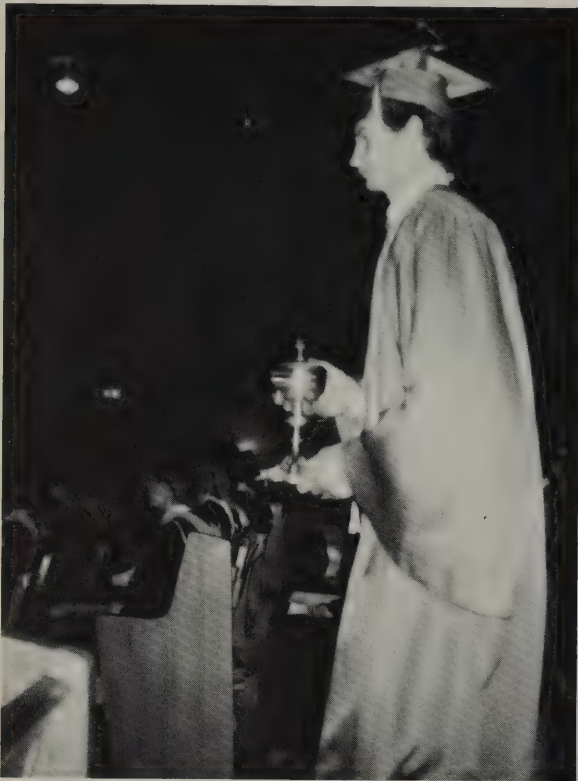

Upper right: Chad Darnold, John Rittenhouse, and Jeff Bultinck test the suspension of their Monte Carlo while adding to the fun of the last day of finals.

Right: Pope Troy and First Cardinal Mike Deranek make their final drive by on their way back to the Vatican.

Baccalaureate

Senior Class President, Jim Ernst, brings up the gifts at Baccalaureate.

Mrs. Zeiler and Sr. Chris congratulate Karen Zeiler.

Cheryl Fortunak approaches the altar to receive the blessed sacrament.

Heather Blank and her mom smile at the camera.

Commencement

The 1989 commencement speaker, Mr. Joseph Dominic Hardman speaks with wit and wisdom.

The Class of 1989 applauds Mr. Hardman's last Marian telephone pole joke.

THE CLASS OF 1989!

Cheryl Fortunak, Marian's salutatorian, addresses the audience.

Miss Leatherwood directs the choir at commencement.

The valedictorian of the class of 1989, Andrea Pietraszewski.

Retired . . . But Not Forgotten!

Sr. Laura Moellmann OSF, has spent many years of her life in service to Marian High School and its students. Sr. Laura has taught at Marian since the school's founding years. She brought color to our school with her many gifts as an artist. Those gifts transferred to her students who learned and practiced artistry. Sr. Laura's expertise has been a credit to our school and will be remembered forever. Thank you, Sr. Laura, for your talents, knowledge, and many other gifts. You will never be forgotten.

There is hardly a graduate or current student of Marian High School who doesn't know Jenny Piatkowski. Jenni has worked in maintenance at Marian for 20 years. She has been a smiling face for everyone at Marian especially the teachers. They knew that if Jenni was working, their classrooms would be spotless. Everyone at Marian will miss you, Jenni. GOOD LUCK!

Mrs. Mary Nauts has been the secretary in the guidance office for several years. She has mailed transcripts for many a student. If you needed something done in guidance you talked to Mary. She knew exactly what was going on and could tell you what you needed to know within 5 minutes. Mary Nauts has been an asset to Marian and will always have a place in our personal "hall of fame." Thank you, Mrs. Nauts, for your service to our school. You will always be remembered.

Emma

Van Vooren

Mrs. Emma Van Vooren has been on the maintenance staff at Marian for several years. She has always been there when needed and is a great friend to our school. She will be sorely missed. Thank you, Emma, for your service and dedication. We love you, Emma; don't forget us.

Thank You! And Remember . . .

Ask not, what your yearbook can do for you; ask what you can do for your yearbook!

Reading the yearbook is very electrifying!

I crossed the Delaware, but I won't cross off reading the yearbook!

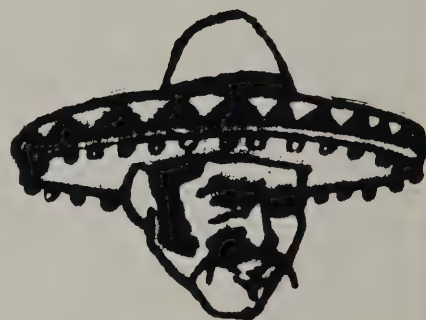

I like IKE (and people who read the yearbook that I am in)!

We think that the entire yearbook staff deserves a big Mental Attitude award! In spite of lack of experience, some frustration, and a great deal of learning on the job, we have all managed to hang together and get the job done. We have even succeeded in having fun while doing it!

It would not have been possible, however, had it not been for the assistance of a number of people not specifically named. We would like to thank officially all those who contributed articles and information for articles, photos and advertising efforts. Specifically, our gratitude goes to the following people: Andy Katovsich, for both photography and advertising; Tim Toepp, for lay-out and photography; Mary and Becky Soice, for lay-out; and Jim Kowalski, for photography.

The Madrigal Staff

Pancho Villa say this yearbook es muy bien!

Cookie! Read this *then* set up the Grand Prize Game!

I made up a new game show, EMANCIPATION MADRIGALATION!

HO, HO, HO! MERRY YEARBOOK!
